

# REAL BRIDE

2019-2020 COLLECTION

MESSAGE  
TO THE

Thank you for making contact with SPOTLIGHT BRIDE. We know how hard it can be to find your perfect dress. We are happy that you have now taken your first step into discovering the wonderful experience of purchasing your dream wedding gown from SPOTLIGHT BRIDE. We are fully committed to service, quality, and reliability. We are also happy to accommodate any special requests because we know that walking down the aisle is a memory that you will cherish for a lifetime, and we want to be part of that precious moment!

When it comes to style and selection of designer quality gowns at affordable prices, we have thousands of designs to suit your every need. Our collections include bridal gowns, informal gowns, bridesmaids gowns, prom gowns, quintessential evening gowns, flower girl gowns, and a vast selection of bridal accessories. In addition, you now have the opportunity to send us exactly what you want and we can replicate it for you to 99% match, as part of our custom made order service.

Our gowns are available in any colour, size or style with different trims, beading, and embroidery. Our gown quality is a cut above the rest with every gown fully lined, including the train, and with no raw seams visible from the outside of the dress. Every bead and sequin is proudly sewn by hand, and not attached artificially with glue. With proper care, these pieces will last forever- just like your love for your significant other.

The ordering process is also very easy and only takes 30/40 days to manufacture, from conception to delivery. We have showrooms in Tanzania, Uganda, and Kenya (please contact your nearest store). We at SPOTLIGHT BRIDE are committed to making you the most beautiful bride and above all, we would be proud if you were to select a SPOTLIGHT BRIDE gown on your special day.

Lastly, please send us an image of your wedding day so we may place it in our portfolios and website as part of the SPOTLIGHT BRIDE's history. Again, thank you so much for inquiring, and may all your dreams come true.

The time for Courtship! The Victorian women had a helpless image, seen as delicate flowers in need of men to take charge. During the time of courtship, which is the dating period that occurred before marriage, a number of stringent societal rules dictated this period. That, however, did not stop us from having a little fun with our models, and even in the absence of the majestic horse we still found an alternative, a safer one at that :) Our lovely model is wearing a vintage-inspired short, two-toned bridal gown with delicate lace applique, topped off with a crystal brooch, which pairs amazingly well with our strap brooch bridal shoes.

## SLB 1920 - 553

The wedding day in this era was all about class and grace. This day was considered to be the most important day in the life of a Victorian woman. The girls were taught from an early age to get married and to care for the family. The month of June was quite famous for weddings and the bride was considered more likely to give birth to her first child later in the Spring. The model is seen here both with and without the matching detachable train.
